Political Engagement Report

Introduction

JPMorgan Chase believes that responsible corporate citizenship demands a strong commitment to a healthy and informed democracy through civic and community involvement. Because of the potential impact public policy can have on our businesses, employees, communities and customers, we engage with policymakers in order to advance and protect the long-term interests of the Firm.

This Report contains information supplemental to the Firm's [Political Engagement and Public Policy statement](#) for calendar year 2018.

Corporate Ballot Initiative Payments

The firm made no corporate payments to support or oppose a ballot initiative during the calendar year. A semi-annual supplement to this section will be posted to our website in the event the Firm makes such a payment in the first half of a calendar year.

Lobbying

On the state and local level, our Government Relations and Public Policy team (GRPP) lobbies primarily in states in which the Firm has a retail presence or other material business operations. Current information about our retail locations is available at https://locator.chase.com/?locale=en_US.

At the federal level, the Firm makes quarterly filings with the U.S. Congress disclosing GRPP's federal lobbying expenditures and the issues on which they have lobbied. For the past three calendar years, we have reported lobbying expenditures of \$2.97 million in 2018, \$2.99 million in 2017, and \$2.92 million in 2016. Key subjects on which GRPP lobbies include Banking, Financial Services, Cybersecurity, Workforce Development, Small Business, Tax Reform, Veterans Issues and Trade. To review our quarterly filings, visit the [Office of the Clerk of the U.S. House of Representatives](#) or the [Secretary of the U.S. Senate](#) and search for "JPMorgan Chase Holdings LLC" in the Registrant Name field.

Below is a list of the principal trade associations to which the Firm belongs. We make a reasonable effort to obtain from them the portion of the Firm's payments that are allocated to lobbying each year. Based upon information reported to us for 2018, the amount of the Firm's payments to these organizations attributable to lobbying was approximately \$2.7 million.
